## Mayor's Welcome

Councillor Sid Abbott

'Happy New Year' to you all. I sincerely hope you have a healthy and successful 2020 in everything you are aspiring to achieve.

The Mayoress and I have been extremely proud and honoured to represent the town at events over the last two months. We have enjoyed the experience immensely and have met wonderful people doing great things for Dunstable.

There were many highlights including the musical production of Troy by The Square Drama Group. We thoroughly enjoyed the entertaining cast and the production by Christopher Burret. The Remembrance Parade and Service – to honour service personnel who lost their lives for our great country in World Wars and later conflicts – was a very moving ceremony. I would like to thank everyone who took part in the parade of the armed and civilian services and those community groups who layed their wreaths at the War Memorial in Priory Gardens. Finally, the Christmas Torchlight Procession in The Square, where local school children sang seasonal carols and songs as well as enjoying the lightshow finale was one of the most successful the Council has ever organised.

We are fortunate to have many wonderful voluntary groups and organisations who work hard to make Dunstable a special place. We are looking forward to visiting many more of these groups and ask you to invite us to your community groups, businesses and schools by contacting the Council's Democratic Services Manager to arrange a visit ([sharon.long@dunstable.gov.uk](mailto:sharon.long@dunstable.gov.uk)).

I am delighted to welcome, on behalf of the Council, the Reverend Rachel Phillips who is the new Team Rector of the Dunstable Team Ministry with responsibility for the Priory Church of St Peter's. I look forward to working with her in the coming months.

I have received tremendous support in raising funds for my chosen charities which are Autism Bedfordshire, Signposts, Alzheimer's and Minds2Gether. I have several events coming up which include a Quiz Night in February, my Civic Service in March and the Mayoral Dinner which takes place in April. We hope you can come to them. Details of all my fundraising events will appear on the Council's website ([www.dunstable.gov.uk](http://www.dunstable.gov.uk)) and social media accounts.

Following the town's outstanding successes in the Anglia in Bloom Awards in 2019, Dunstable has been selected to represent the region in the prestigious Britain in Bloom Awards 2020. This tremendous accolade has been achieved due to the hard work put in by all stakeholders involved in making our gardens and open spaces beautiful in all areas of Dunstable.

Dunstable Town Council will be adopting a revised Corporate Plan in February. The Plan will include a commitment for the Council to work towards becoming carbon neutral over the next few years. We, as a responsible Council, are aware climate change is a major global issue and I am keen to see the Council doing everything it can to play its part in improving the environment for local people. The Council will be developing an action plan that builds upon environmental improvements already made in areas such as increasing recycling rates and reducing CO2 emissions.

Working with my fellow councillors, many of them in their first year, I have seen their enthusiasm in engaging with their wards to tackle local concerns. I believe we all do it because we love our town and we want to be involved and contribute towards preserving and enhancing all that is good about Dunstable, creating opportunities for everyone who live and work here.

Finally, please make a note of the events calendar given in this edition of Talk of the Town. A tremendous amount of effort goes into planning our free events programme, which I believe is the best in Bedfordshire. After the record attendances of 2019, I hope even more people enjoy our events in 2020 and I look forward to seeing you all there.

*Councillor Sid Abbott*

Town Mayor of Dunstable

## David Ashlee

Town Clerk & Chief Executive

Welcome to the New Year edition of Talk of the Town and can I take this opportunity to wish all our readers a very prosperous 2020.

I hope you all enjoyed Christmas and that you were able to take advantage of the town centre Christmas programme made possible by the Town Council and the Dunstable Joint Committee. At the time of writing, I am looking forward to seeing the free Ferris Wheel on the Square and for those of you that were there, this year's light show at the end of the Christmas Carols and Torchlight procession, I think, was our best ever. Santa will again be visiting Priory House and Garden's, so I hope you were able to enjoy all that Priory House had to offer this Christmas.

2020 will be a very busy year for the Council. For the first time ever, Dunstable has been entered into the Britain in Bloom competition, so the Council in partnership with Dunstable in Bloom will be pulling out all the stops to ensure that Dunstable's entry is as good as it can be.

In addition, we are all waiting in anticipation to get our final grant award from Historic England for the High Street Heritage Action Zone (HSHAZ) programme. If successful, this project will see the Council invest both in Priory House and retail units on Middle Row and High Street South. The four-year programme will also result in a range of community and cultural activities being developed and delivered with a wide range of partners in the town.

I am very pleased that our newly refurbished Jacobean Room in Priory House is becoming more popular and the Council's wedding service we are now providing at Priory House is featured later in this edition of Talk of the Town.

This edition features the Town Council's events diary for 2020. The Town Council is very proud of its events programme and this year's calendar features everyone's favourites including, 'Priory Pictures', 'Dunstable Live' and 'Proms in the Park'. Not many towns the size of Dunstable can enjoy as many fantastic events as the Town Council provides so please keep the events calendar in a handy place and make sure you make a note of all our events in your diaries.

Also make a note of our Valentine's Evening celebration planned for Creasey Park Community Football Centre in February. Be sure to book your tickets early as this is sure to be a popular event.

Our ever-growing Craft, Farmers and Themed Markets are also featured in this edition. Held in Middle Row, these twice-monthly markets are becoming more and more popular as more traders are attracted to Dunstable, so please make a note of the dates and see what's on offer.

I think 2020 is going to be a very good year for Dunstable and I look forward to the launch of the HSHAZ scheme in April and also the completion of the highway's improvement works that will be continued by Central Bedfordshire Council.

I hope you enjoy this edition of Talk of the Town and please feel free to comment on any of the Council's services using the comment form at the back of this edition or by visiting our website [www.dunstable.gov.uk](http://www.dunstable.gov.uk) or following us on Twitter and Facebook. Happy reading!

## Dunstable Chosen as 2020 Britain in Bloom Finalist

Dunstable in Bloom and Dunstable Town Council are delighted to announce that the town has been chosen to represent the Anglia region in the 2020 Britain in Bloom competition in the Large Town category.

The town has been chosen in recognition of its Anglia in Bloom Gold Medal achievements and award-winning projects over the last 10 years and it is a real honour to represent the region at a national level.

The Chairman of Dunstable in Bloom, Hugh Garrod, says: 'Our community has worked hard over the last 10 years and being chosen is a recognition of all the voluntary hard work that goes into making our town a great place to live in and visit'.

The Chairman of the Grounds and Environmental Services Committee, Cllr Liz Jones says: 'We are delighted that Dunstable has been chosen in 2020 and the Council will continue to work hard with the local community to help make Dunstable a better place that we can all be very proud of'.

The 2020 local theme will be *'Wildflowers and Pollinating Plants'* and the campaign will be launched on Thursday 6 February with a tree and shrub planting event and the unveiling of a new Dunstable in Bloom notice board in Grove House Gardens. Dunstable in Bloom will be planting shrubs and perennials which are good for pollinating insects and help them thrive.

The 2020 RHS Britain in Bloom theme is *'Grow Social'* to encourage people and communities to make connections through plants; reaching beyond 'the garden gate' to bring people together. Information packs and grants will be available from the Royal Horticulture Society (RHS) in January.

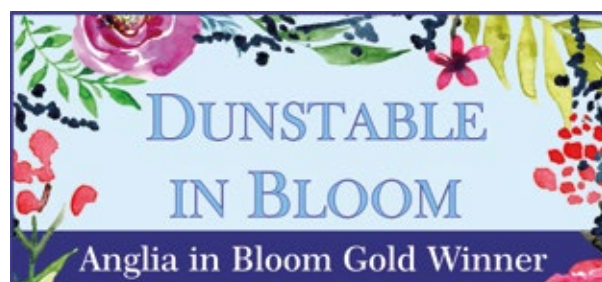

Dunstable in Bloom is also supporting and encouraging community groups and schools to participate in a number of Royal Horticultural Society (RHS) campaigns to Green Great Britain, including *'It's Your Neighbourhood'*, *'Wild About Gardens'*, *'Campaign for School Gardening'* and *'National Gardening Week'* from 27 April to 3 May 2020

Dunstable in Bloom will also be running a *'Best Front Garden'* competition again in 2020 and there will be nine different categories to choose from. Details are available on the Dunstable in Bloom website.

So let's all make this a bloomin' marvellous Britain in Bloom year for our town. There are lots of ways to get involved; come along to the launch, tell us about your projects, plant up your gardens and baskets, encourage your community, share plants with neighbours, get involved in a local litter pick event. The opportunities are endless.

For more information on Dunstable in Bloom please visit [dunstableinbloom.wordpress.com](http://dunstableinbloom.wordpress.com). You will also find a link to the RHS campaigns on the website or you can take a look direct at the RHS web pages [www.rhs.org.uk](http://www.rhs.org.uk). Follow the Dunstable in Bloom campaign on Facebook [www.facebook.com/dunstableinbloom/](http://www.facebook.com/dunstableinbloom/) and share your gardening and environmental projects and stories with us.
