

TOWN MAYOR'S DIARY

10 - 16 AUGUST

Tuesday 11 August

- Met and had a couple of hours with the Council's new Democratic Services Manager to discuss our respective roles and plans for certain events.
- Remembrance Sunday, November 8. While restrictions about gatherings at this time are unknown, plans will be made for the usual commemoration BUT, if we are unable to go ahead or those who would otherwise take part may not wish to do so given Covid-19 circumstances, there will be a much smaller commemoration.
- Councillors will be encouraged to attend at the War Memorial on 11 November for the Remembrance Day commemoration observing any Covid-19 regulations at the time.
- Mayor's Golf Day. It is expected that this can take place on Tuesday 6 October. While it is hoped there will be good participation, the Club House will not be available for obvious reasons. However, some refreshments will be provided on the course. Anyone interested in taking part, please contact ian.reed@dunstable.gov.uk so we can give you up to date information.
- VJ Day. There is a link on our Facebook page and website to the History Society's commemoration.

Wednesday 12 August

- Zoom meeting with MP and immediate fellow councillors to discuss current affairs. Up-date from MP re schools, employment, housing and constituency visits. Up-date from myself re DTC; up-date from Leighton Linlade Town Council.

Friday 14 August

- Next family business article and photograph sent to the Gazette for publication on Wednesday 19 August

Saturday 15 August

- Attended the War Memorial with the Mayoress at 11.00 am to mark the two minutes silence for VJ Day
- Another successful market with over 20 stalls and classic cars again on the Square. Unfortunately, the weather was not so good, but the stallholders were being positive. Congratulations to the stilt walker (who was later riding a monocycle) who braved the elements throughout the morning and into the afternoon. Thank you to our staff who do so much to see these markets are well organised
- Coffee in Priory House Tea Room.
- Called in on Kazmick's newly opened restaurant in the Quadrant to arrange an 'opening' on 20 August at 10.00 am. Then called in on the new 'hobby' shop at the other end of the Quadrant and will 'open' that after Kazmicks.
- Sadly, the Town's Priory Pictures in Priory Gardens was cancelled for obvious reasons
