- Sadly, Proms in the Park had to be cancelled a while ago BUT look out for the revived **Classic Motor Rally in Priory Gardens on Saturday 26 September**, 10.00 am - 4.00 pm. A Covid-19 risk assessed event to enable visitors to enjoy safely an outside occasion. \*

\*Sadly we have now had to cancel the Classic Car Rally given Monday's latest Government advice. We do thank colleagues who worked so hard to get it back but look forward to it being held next year when we hope circumstances are different.
