Mayor's Welcome

Councillor
Gloria Martin

Welcome everybody to another edition of Talk of the Town.

This is the time of year when we start to look forward to warmer days and shorter nights and those of us who are gardeners are deciding what to plant in our window boxes, planters and gardens.

Before moving forward though, I want to look back to the last few months of 2021 and the Town's celebrations of Christmas.

There were a lot of interesting events and activities, particularly for families, in the Town in November and December, which I hope encouraged many of you to visit one of our markets and to shop locally. Did you spot the polar bear?

This year the Council introduced a new addition to its traditional Christmas lights by running a Winter Lights Festival in Grove House Gardens, the trees looked so different when lit against the dark winter night sky and I hope encouraged many of you, who may not have visited the gardens before, to appreciate our wonderful open space and visit again.

You may have noticed that there were some new Christmas lights this year, and others in new places. We have had to retire those that were no longer working and used the opportunity of the changes in the town centre, to introduce some new ones. Over the next few years this process will continue, with new lights being added and the placement of current lights being varied as necessary.

I was so pleased to officially start the Christmas festivities with our traditional Torchlight Procession of local schools walking from the Priory Church, to the Methodist Church, and then singing carols in the Town Square. It was wonderful as we weren't able to hold the event last year. The singers were accompanied by our local Salvation Army Band and I was ably assisted by Father Christmas to switch on the new Tree lights.

2022 will see the completion of the Town centre refurbishment works being carried out by Central Bedfordshire Council. The wider pavements and slightly varied road layout and crossing changes will make it easier for pedestrians to move about the town centre and discourage lorries. A lot of people have asked me about the roadworks and I know that they have been inconvenient for many, but one of the major functions of the changes has been to carry out drainage works to help stop the damage to homes and businesses that has been caused in the past by flooding. The Town Council has been concerned for some time that Priory House, one of our wonderful historical buildings, has been repeatedly damaged by flooding. The very large drainage system that now exists under High Street South will hopefully stop flooding in the future. Once the works have finished I am sure that the improvements to how the Town looks will be appreciated by you all.

I have just over four months left of my year as Mayor and hand over to my successor in May, I hope that by then we will all be looking forward to a more settled time and the global pandemic that we have lived with over the last two years will be starting to come to an end. I do however hope to have some more fundraising events for my charity Homestart, before I leave office and look forward to seeing some of you there.

Councillor Gloria Martin
Town Mayor of Dunstable

**David
Ashlee**
Town Clerk
& Chief Executive

Welcome to the New Year edition of Talk of the Town and can I take this opportunity to wish all our readers a very prosperous 2022, despite the ongoing Covid pandemic.

I hope you all enjoyed Christmas and that you were able to take advantage of the town centre Christmas programme. The three-day Twilight Market and Christmas Carols and Torchlight Procession were particularly well received. I was very pleased to read all of the public praise the Council received on our Facebook page in recognition of all the hard work that my staff undertake to make such events and activities so successful.

During 2022, your Town Council will continue to be busy delivering all the quality-of-life services that residents so enjoy and appreciate.

Featured in this edition of Talk of the Town is our Community Engagement Team responsible for managing Grove Corner, Older People's Lunch Clubs and a whole range of community engagement activities, such as the 'Rock and a Roll' event, Friends of Dunstable Cemetery sessions and coffee mornings.

Visitors to the town centre may have seen the transformation of the garden around the Methodist Church on Ashton Square. This project (also featured in this edition) has been led by the Town Council in partnership with volunteers from the Methodist Church and colleagues from Central Bedfordshire Council. I would like to thank contractors Henderson & Taylor who have also given much appreciated support to this initiative.

Also in this edition you will find an update on the Council's High Street Heritage Action Zone project and please look out for the dates for the Middle Row Markets which will be starting again soon.

At the time of writing this introduction, 2022 looks like being another challenging year for all of us as we struggle to adapt to living with Covid-19. Your Town Council will, however, continue to do all we can to provide our services as safely as possible in order to ensure that we continue to 'help make Dunstable a better place'.

I hope you enjoy this edition of Talk of the Town and please feel free to comment on any of the Council's services using the comment form at the back of this edition or by visiting our website www.dunstable.gov.uk or following us on Twitter and Facebook.

Happy reading!

David Ashlee
Town Clerk and Chief Executive

Rock and A Roll

In November 2021, 38 residents of Dunstable enjoyed attending Rock and A Roll. A fantastic time was had by all who attended at Creasey Park Community Football Centre, with an afternoon tea spread, music provided by Debbie from Care Entertainment and lots of dancing by those in attendance. It was wonderful to see everybody enjoying themselves and having fun. We hope to run this popular event again in 2022.

Grove Corner

Youth & Community Hub

Meet Gill, Jack and Grant The Youth and Community Team

Grove Corner Youth and Community Hub has welcomed many young people through the door throughout 2021 and are looking forward to welcoming many more during 2022.

We asked the team what they are most looking forward to about 2022.

Gill: To continue to see more young people enjoy the facilities at Grove Corner and to continue to provide a fun and safe space for those who attend.

Jack: To see the gaming suite go to the next level, with competitions and battles taking place.

Grant: For Pokémon to continue to grow and to set up tournaments for those who attend.

The Youth and Community Team have lots of exciting and fun activities planned as well as all the normal facilities on offer. There will be the opportunity to get creative with arts, crafts and canvas making; the gaming suite will continue to offer the latest games and in February, following the success of the Christmas Party, a Valentine's Disco will take place.

There is no need for young people to book onto a session, simply turn up and have a good time!

DUNSTABLE HIGH STREET HERITAGE ACTION ZONE

In 2022 Historic England are intending on hosting a Dunstable HSHAZ Historic Building Listing Lunch and Learn (online via Microsoft Teams or similar). Historic England have pencilled a date of Thursday 24 February 2022 between 12.30 pm and 1.30 pm for this to take place. If you are interested in attending this virtual event please contact the HSHAZ team via info@dunstable.gov.uk

SAVE THE DATE Saturday 30 April 2022

We have experts undertaking some new research comparing the stone in the Undercroft of Priory House and the stone in Priory Church. A provisional date of Saturday 30 April 2022 has been set for a day of fun activities for the whole family based around the Priory's history – yes really! Watch out for further details nearer the time, but will include:

Historic England will be presenting the results of the recent archaeological survey of Dunstable Priory prior to the publication of the report.

Come and hear a panel of experts discuss the latest findings and what it means for our understanding of the Priory's history.

Craft activities for all ages.

Celebrating Dunstable's Green Spaces

Garden Improvements at the Square Methodist Church

Have you spotted the recent improvements to the garden border alongside The Square Methodist Church in the centre of Dunstable?

The Council has been working in partnership with the church to improve the overgrown border on the north side of the building and the area has been completely transformed. Many of the shrubs planted more than 20 years ago had become overgrown, the area was becoming a litter trap and it was not possible to see any of the memorial stones.

The Council was approached by Central Bedfordshire (CBC) Ward Councillors to see what could be done with the area to compliment the recent High Street and Middle Row improvements. The Parks and Green Space Development Officer, Kathy Doyle, was tasked with redesigning the border and undertaking the planting works with the Church community.

The Church secured funding for the project from the CBC Ward Councillor Grant Scheme, Dunstable Joint Committee and Historic England's High Street Heritage Action Zone as well as putting in their own money. Henderson & Taylor, the main contractor for the Dunstable High Street improvement project provided generous support with materials and labour.

The planting compliments the window shapes on the Church and includes box balls and low box hedging, half-standard bay trees, topiary yew and an underplanting of hardy evergreen ferns set in pea shingle.

The second phase of the project will include improvements to the south side of the church including raised planters for food growing.

To celebrate this transformed space the Town Mayor of Dunstable, Councillor Gloria Martin cut a ribbon on Friday 17 December to mark the completion of the first phase.
