11.1 None.

**12. BACKGROUND PAPERS**

12.1 Service Level Agreement Report, Community Services 5 September 2022.

**13. CONCLUSION**

13.1 It is disappointing that since September 2022 until March 2023 only four young adults were able to access counselling services funded as part of Sorted's SLA despite there being a further three young adults on the waiting list. For this reason, and because Sorted Counselling Ltd cannot guarantee delivery on the agreed SLA going forward officers recommend the ceasing of SLA arrangements with Sorted. Members are therefore required to make a decision on the continuation of the Service Level Agreement for Sorted Counselling Ltd.
