Town Mayor's Welcome

I am deeply honoured to serve as your Mayor for 2025/2026. As someone who has made the UK, and especially Dunstable, my beloved home after moving here, previously faced challenges like domestic violence and discrimination. These experiences have only strengthened my commitment to supporting and uplifting our community.

I am proud to be the first black Mayor of Dunstable Town Council, and I stand with you in celebrating our town's vibrant diversity.

I established the Luton, Dunstable & Surrounding Kenyan Community Forum to foster a sense of belonging, unity and cultural exchange, while tackling issues affecting our youth, such as knife crime. Our youth represent our future. Through initiatives like the "Save a Life" card, we're empowering young people to address issues like knife crime, and I'm hoping to expand this programme throughout Dunstable.

Our diverse community is our greatest asset. Each unique culture adds to our richness, and by embracing our differences we create a more inclusive environment. I hope to inspire future leaders to chase their dreams and positively impact their communities. I am here to listen, learn, and work alongside you, respecting and honouring your way of life.

This year, I look forward to celebrating diversity with you through events. In June, I had the pleasure of attending Central Bedfordshire College's first inaugural Pride event.

Looking ahead to October, we'll honour Black History Month.

Together with every charity, business and community group, we can make Dunstable even better. I am excited to support CHUMS and Hospice at Home Volunteers in the Dunstable & Houghton Regis areas through fundraising events.

As we celebrate the 40th Anniversary of Dunstable Town Council, let's honour our past and look forward to our future. We have a fantastic lineup of events, and I encourage everyone to get involved and share your thoughts. Keep an eye out for our events calendar as I would love to see you there.

I look forward to working with my fellow councillors to continue prioritising the needs of our residents.

Let's remember the power of kindness and understanding, especially as everyone faces their own challenges. Let's be considerate, even when we disagree, ensuring that differences lead to solutions rather than conflict.

Together, let's build a strong, inclusive, and thriving Dunstable. I look forward to meeting many of you at local events and welcome your invitations to community gatherings.

Councillor Sally Kimondo
Town Mayor of Dunstable

Town Clerk & Chief Executive's Welcome

Welcome to the summer edition of Talk of the Town, which marks the celebration of the 40th Anniversary of the creation of Dunstable Town Council. The middle of this edition includes some highlights from the last 40 years. The 40th year began with the Annual Council Meeting in May. I am proud to say that at the end of the meeting the Council awarded the Honorary Freedom of the Town for the first time in 65 years.

The Council has also launched the Dunstable Community Lottery. This means local good causes have another opportunity to raise vital funds. You can play the lottery and support a local good cause at the same time by purchasing tickets online - see page 17 for details.

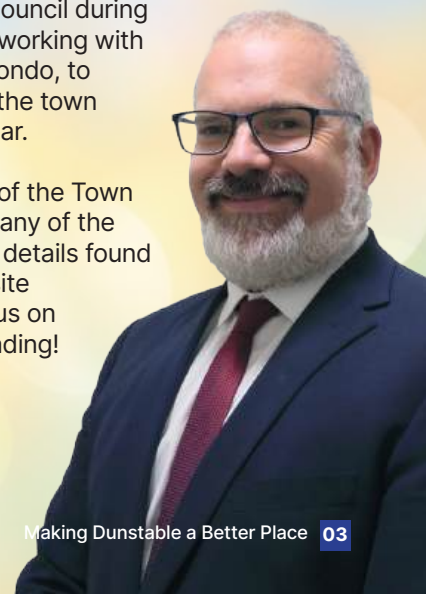

I'm delighted that that Council was able to support the town's marking of the 80th anniversary of VE Day with the beacon lighting on Dunstable Downs, lunch club events and by helping to fund street parties. The coming together as a community to recognise the contribution of others was a fitting mark of respect.

The events programme is now in full swing with the Council already having staged St George's Day, the Classic Motor Rally, and Dunstable Live. Party in the Park is imminent with Craig Charles bringing his epic Funk & Soul DJ set to headline this year.

I would like to extend my thanks to Councillor Louise O'Riordan for the passion, time and energy she has given to the town and the Council during her year as Mayor. I look forward to working with our new Mayor, Councillor Sally Kimondo, to support local groups and represent the town throughout this 40th Anniversary year.

I hope you enjoy this edition of Talk of the Town and please feel free to comment on any of the Council's services using the contact details found on page two, or by visiting our website www.dunstable.gov.uk or following us on Instagram and Facebook. Happy reading!

Celebrating Dunstable's **Green Spaces**

New Priory Gardens Pergola

The Council is delighted to announce that a new pergola has been installed in Priory Gardens that has replaced the old timber structure. Despite having been well maintained over many years the old pergola was in need of replacing.

The new pergola is a black metal structure, in the shape of an arch. The design has been chosen to reflect some of the features that are found within Priory Gardens, including the arches in Priory Church and Priory House windows. The title of 'A Walk-Through Time' has been suggested by The Friends of Priory House and Gardens and features on the entrance upright posts in laser cut text. The remaining posts describe key moments in the history of the site, dating from pre-historic to modern times.

There will also be the addition of a QR code at each entrance to the pergola. The QR codes will offer further information on the historic messages featured on the pergola that are associated with this important historic site.

The existing roses have been pruned back and when they regrow, they will be tied back on to the new pergola. More roses will be planted, and the supporting wires for the climbing roses will be added in due course.

The pergola project was undertaken in partnership with the Friends of Priory House and Gardens and we are very grateful to them for having raised a contribution of over £13,000.

Dunstable in Bloom Community Floral Display Project

Each summer, we can all look forward to the stunning floral displays that brighten up our town. This year is no exception and thanks to the continued efforts of Dunstable in Bloom, in partnership with the Town Council, Central Bedfordshire Ward Councillors, and the Quadrant Shopping Centre, there are even more floral displays to enjoy.

In early June, Dunstable in Bloom volunteers got planting at the Quadrant, to create twenty fabulous summer floral barrels. A big thank you to the Quadrant for their generous donation towards the plants and for caring for the displays throughout the season – it is a real team effort.

The additional displays create a welcoming atmosphere for visitors who can enjoy a cuppa, or lunch outdoors, while admiring the flowers. And there is more to smile about – all the displays use peat-free compost and feature a mix of specially chosen annual flowers to attract pollinators.

DUNSTABLE TOWN COUNCIL

Celebrating 1985 TO 2025 **40 YEARS**

A timeline of 40 years serving the people of Dunstable

2025 marks forty years since Dunstable Town Council was inaugurated. In 1974 the government abolished Dunstable Borough Council and Dunstable became an unparished area with no council of its own. In 1984, residents of the town voted in a petition to establish Dunstable Town Council. Elections were held in March 1984 and the first meeting of the new Town Council was held on 1 April 1985. At that meeting, The Council's budget was set at £225,439. The Council took on the management of Grove House and Priory Gardens, the Cemetery, recreation grounds, allotments, public toilets and the War Memorial. Council meetings were held in the Queensway Hall, and the Council's first offices were rented at 82 High Street South.

Dunstable Town Council established following a local petition for it to be created. First Councillors elected

Historic Honour Returns: Dunstable Awards Honorary Freedom of the Town for the First Time In 65 Years

Mrs Sally Newton and Mr John Buckledee were awarded the prestigious titles of Honorary Freewoman and Freeman of Dunstable at the Annual Council Meeting on Monday 19 May. This rare honour was last awarded in 1959 and recognises individuals who have made exceptional contributions to the community, embodying the spirit, resilience, and pride of Dunstable. The Town Council agreed the honours as part of the celebrations of the Council's 40th anniversary. The awards were made by the Town Council after the public were invited to nominate suitable, living, local candidates.

John Buckledee's award was made in light of his years of service to the town, including as editor of the Dunstable Gazette for many years, Chairman of the Dunstable Local History Society, and the driving force behind the town's annual Royal British Legion Poppy Appeal. John's ongoing "Yesteryear" column for the Dunstable and Luton Gazette continues to educate and inspire, preserving our shared heritage for future generations. He has authored and edited numerous books on Dunstable's history, and his work has become a cornerstone of Dunstable's cultural identity.

Sally Newton is the first ever Freewoman of Dunstable and was applauded for her work as a Town Councillor over twenty-five years, as Mayor for the years 2000-2001, and as the Leader of the Council for several years. Sally was a registered nurse and worked across Bedfordshire schools as a school nurse until she retired.

Sally represented the Council on the Frances Ashton Almshouses and chaired the Trustee Group for several years, ensuring continual review and the upkeep of the flats in Bullpond Lane. She continued in this role beyond her retirement as a Councillor. Sally was a huge part of the community and as a Councillor was widely respected by her fellow councillors, by staff and throughout the town. Sally always represented the interests of Dunstable residents whole heartedly.

Both recipients were presented with scrolls, sealed in wax with the Town's historic seal. Their names are also on a dedicated new honour board in Grove House which lists all the recipients of the Honorary Freedom of the town.
