Mayor's Welcome

Councillor Sid Abbott

It is a great pleasure to be writing in *Talk of the Town* for the first time since being appointed to the historic office of Town Mayor of Dunstable; a position that I am truly honoured and privileged to accept. I am also pleased my wife Heather will be supporting me as Mayoress.

I first came to Dunstable to visit my Granny as a child. I moved with my parents to Luton – and later to Dunstable – in 1973, where I met Heather who I married and we have two daughters, Katrina and Tracy, who were born and educated in Dunstable. My working career has mainly been in engineering, health & safety and environmental management.

Now actively retired, my main pursuits are as a Councillor, a volunteer for the Alzheimer's Society, English Heritage at Wrest Park, Silsoe and Incredible Edible – a community garden based in Katherine Drive who grow nutritious produce, free, for the local residents.

One of my first engagements was attending the Dunstable Town Council 'Around the World' event at Priory Gardens. The event comprised of music, culture and animals from different countries. It was an outstanding success with more stalls and the biggest attendance since the event debuted in 2014. There are plenty more free events this year so please visit our website www.dunstable.gov.uk for more information.

Dunstable is an evolving town with ongoing improvements, one being air quality, with reduced nitrous oxide levels since the lorry restriction through the town centre on the opening of the new M1 – A5 link road and Woodside connections. Now only goods vehicles delivering to the local area can pass through. We are also a growing town with a population coming up to 40,000, with a diversity of cultures and nationalities, which will enhance the town going forward.

In my mayoral year I will be holding several events for my chosen charities, which are the Alzheimer's Society, Autism Bedfordshire, Signposts and Minds2gether. I will be asking for your help in raising funds throughout the year to these deserving causes. For details of my charity events please contact my secretary Michele Markus by email at michele.markus@dunstable.gov.uk or give her a call on 01582 891404.

Planned events subject to confirmation are a cricket match in August, a golf day in September, bingo night in November, a festive Pudding Night around Christmas and then maybe a race night or quiz night in January or February. The schedule of events will culminate in the Mayors Dinner gala event in March.

The Mayoress and I are looking forward to our Mayoral year and meeting residents, businesses, schools, charities and community groups of Dunstable who are the people who really matter in all aspects of a successful town.

Councillor Sid Abbott

Town Mayor of Dunstable

David Ashlee

Town Clerk & Chief Executive

Welcome to the summer edition of *Talk of the Town*. I would like to begin my introduction by welcoming all eighteen Councillors that make up Dunstable Town Council following the recent local elections. The Council now has ten new Councillors who I am sure are looking forward to getting involved with everything that the Council does for the residents of Dunstable.

This edition of *Talk of the Town* features the fantastic new Bennett's Adventure Play that is now open. The new adventure play area complements the existing Bennett's Splash and Splashside Café and is really making Bennett Memorial Recreation Ground the place to be this summer.

This summer looks set to be another fun-filled time for Dunstable residents with the launch of the Summer Activities Programme in August as well as the continuing events programme that includes 'Dunstable Live', 'Party in the Park', 'Priory Pictures' and 'Proms in the Park'.

Look out later in this edition for information regarding activities planned for Ashton Square. Following the improvements made to Middle Row and The Square by Central Bedfordshire Council, my Council are now keen to see this area of the town used more for events, the first two being a 'table football' event on 13 July followed by a 'seaside' themed event on 17 August. These events are designed to complement the increasingly popular special themed and farmers and craft markets that take place twice monthly along Middle Row.

Continuing our partnership work with Central Bedfordshire Council to improve the look of the town centre, a new small grants scheme has been launched to help part fund independent retailers wishing to make improvements to their shop fronts. Full details of the scheme are given later in this edition.

Finally, please look out for our special events we have arranged for Bennett's Splash, Bennett's Adventure Play and the Splashside Café. These will be taking place on 19 July and 1 September and are featured later in this edition.

I hope you enjoy this edition of *Talk of the Town*, have a great summer and please feel free to comment on any of the Council's services using the comment form at the back of this edition or by visiting our website www.dunstable.gov.uk or following us on Twitter and Facebook.

Happy reading!

David Ashlee

Town Clerk and Chief Executive

Bennett's ADVENTURE PLAY

Have you ventured out with your children to the new Bennett's Adventure Play at Bennett Memorial Recreation Ground yet?

The Town Mayor of Dunstable, Councillor Sid Abbott, formally opened the play area with support from Councillor Ian Dalgarno of Central Bedfordshire Council, at a ribbon cutting ceremony on Thursday 30 May 2019.

The event took place during the May half-term week and plenty of children, parents and grandparents were on hand to enjoy DJ Big Man Craig's disco and games as well as playing on the new equipment.

The new play area, which is made from very tough Robinia wood, is suitable for 2 to 15 year olds and has plenty of great play features. The features include a five platform multi unit with two slides, an adventure trail climbing jungle, a climbing boulder, two trampolines set in the ground, a rustic seesaw, a multi child swing, a low level climbing path, three low level bridge jungle climbing routes, 35 stepping posts set at various heights and a double zip wire aerial runway. How much fun does all that sound?

The play area was funded using £176,000 secured by Central Bedfordshire Council from housing developer contributions and Dunstable Town Council added a further £24,000 from its own funds.

Playground Supplies Ltd won the contract to design and build the play area in time for the reopening of Bennett's Splash and the Splashside Café and they were on hand at the grand opening to give out party bags to local children.

Dunstable Town Councillor Liz Jones, Chairman of the Grounds and Environmental Services Committee, said: "It is wonderful to have completed this great new play area to sit alongside Bennett's Splash and the Splashside Café. We hope that children and parents will both enjoy and take care of the new equipment and that the whole family will have a great day out at Bennett's."

Councillor Ian Dalgarno, Executive Member for Community Services at Central Bedfordshire Council, said: "We are delighted to have secured money from local new housing developments to enable the Town Council to create the new adventure play area. We know that the splash park, which was also part funded by our capital money and developer contributions, has been very popular. This latest addition will help encourage children to get out into the fresh air and take part in imaginative play experiences, be physically active and have fun. It will also draw-in both residents and visitors, to help ensure that Dunstable continues to be a place where people want to live, work and play."

If you are planning a visit to Bennett's Adventure Play and Bennett's Splash for a great day out please make use of the large car park at Ashton Square, just a two minute walk away. The car park can be accessed from Bull Pond Lane and West Street entrances. Parking costs are £1 for two hours or £2 for three hours Monday to Saturday from 8.00 am to 6.00 pm. Parking is free of charge outside of these hours and on Tuesday afternoon, as well as on Sundays and Bank Holidays.

Community Matters

Friends of Dunstable Cemetery

Friends of Dunstable Cemetery is now an established group in its own right. Members are busy setting their priorities and working in partnership with Dunstable Town Council to make the cemetery an inviting space for all and help keep the cemetery spick and span. Membership is free and their desire is to grow and as such they welcome any new members with open arms. Activities include tidying up graves, Cemetery walks and talks, sweeping, litter picking, research, fundraising and more. The group have a wide range of activities organised over the next couple of months. If you would like to find out more information then please contact the Cemetery Manager Mary Dobbs on 01582 891428 or email: cemetery@dunstable.gov.uk

Wheelie Fantastic!

This Wheelie Fantastic project is literally growing year on year! With the theme of 'Planting for the Senses' we have 26 barrows in different locations around the town. Look out for barrows, which represent **taste** (recipes, edible flowers and herbs), **touch** (go with the rough and the smooth), **smell** (breathe in the heavenly scents), **sound** (with ears, bells and whistles) and **sight** ('be spectacle to behold').

Although we have many schools and community groups involved this year, we would like more businesses, individuals and families to take part next year. So gather up your inspiration and look out for Dunstable in Bloom entry forms early next year. Let's make our town Wheelie Bloom!

Woodfield Green & Downside Residents Association

Being a part of this group can improve the quality of the services the local community of Downside receives, highlight local issues and achieve solutions and improve everyone's quality of life.

If you would like to know more or are interested in becoming involved, please contact Christine Reynolds, our Secretary, on 07923 621079, if you prefer email WGDR@outlook.com. If you are unable to attend meetings but have a suggestion or concern please contact as above.

Ilan and Sahira Ward

Martin Young with his partner Ann Lauezzari

A 'Great Day Out' at The Queen's Garden Party

Last year the Campaign to Protect Rural England (Bedfordshire) held its annual 'Living Countryside Awards' event. A number of local Community projects were nominated, and two won first place in their respective groups, these being 'Incredible Edible Dunstable' (Greening Urban Spaces) and 'Dunstable Men in Sheds' (Health & Wellbeing). As a result of winning, the two lead project managers, Sahira Ward and Martin Young were nominated by the Lord Lieutenant of Bedfordshire, Helen Nellis, to attend the forthcoming season of The Queen's Garden Party events at Buckingham Palace. There was no guarantee that they would be selected to attend; but to their surprise, they were! With approximately 8000 people attending each of the three events, their date was set for Wednesday 29 May.

Despite cloudy skies and light rain, Sahira, her husband Ian, and Martin with his partner Ann attended this prestigious ceremony, both representing on behalf of the efforts made by the members of their respective local community groups.

This event was also a splendid opportunity for both Sahira and Martin to represent the wider objectives of their respective national community organisations, Incredible Edible Network and the UK Mens' Sheds Association, both which are growing community based organisations for promoting health and wellbeing.

Obviously, with the enormous throng of guests, a chance to speak with the Queen or other Royals in attendance was out of the question but the event was very enjoyable and a great honour!
